## Company Name

Enlight Spoken English

## Founder and Trainer

Ashish Pradhan is the driving force behind Enlight Spoken English. With over 15 years of extensive experience across various domains such as BPO, Project Management, and Training, Ashish brings a wealth of knowledge and expertise to the table. His core focus over the past 7 years has been on Spoken English Training, where he has successfully trained and empowered college-going students and professionals to enhance their English communication skills.

## Mission Statement

At Enlight Spoken English, our mission is to empower 2,00,000 individuals to master the English language, helping them overcome challenges related to confidence, interviews, and client communication. We are dedicated to providing the tools and support needed for our learners to succeed in both personal and professional settings.

## Vision Statement

Enlight Spoken English envisions a world where college-going students and professionals can achieve fluency in English through our accessible and flexible learning solutions. Our live and recorded video courses are designed to be available anytime, anywhere, ensuring that our learners can improve their English skills on their own terms, no matter where they are in the world.

## Core Services

At Enlight Spoken English, our primary service is delivering interactive and live training sessions tailored specifically for college-going students and professionals. Our courses are designed to be engaging and practical, ensuring that our learners gain the skills and confidence needed to excel in their English communication.

## Target Audience

Enlight Spoken English is dedicated to serving college-going students and professionals who are looking to enhance their English communication skills. Our training programs are designed to meet the specific needs of these groups, helping them overcome language barriers and achieve success in both academic and professional environments.

## Unique Selling Proposition (USP)

What sets Enlight Spoken English apart is our student-centric approach, where our trainees are encouraged to speak more than the trainer during sessions, ensuring practical and immersive learning. Additionally, we offer ongoing support even after the course has been completed, extending our commitment to ex-students as they continue to refine their English communication skills.

## Company History

Enlight Spoken English was founded in 2017 with the mission to revolutionize the way English is taught and learned. Since its inception, the company has successfully provided training to esteemed organizations such as Emtec, Maharashtra Media, Legalogic, Multiversity, Elephant Design, and Bombay Sappers. Our experience and dedication have established us as a trusted name in the field of spoken English training.

## Achievements

Enlight Spoken English takes pride in the success of our trainees. Many of our students have successfully achieved their communication goals through our comprehensive and tailored training programs. Their success stories are a testament to the effectiveness of our methods and our commitment to empowering learners.
